Circuit Clerk's Office Prepares for eFileIL Release

The Lake County Circuit Clerk's Office is getting ready for the release of Odyssey eFileIL, the new e-filing system from Tyler Technologies. In preparation for the release, we suggest that attorneys and other filers register with an Electronic Filing Service Provider (EFSP) prior to the system release. Please note all filers must have a valid email address and must be registered with an EFSP before they can e-file.

A list of authorized EFSPs and other important information is available at <http://efile.illinoiscourts.gov/attorneys-filers.htm>.

Additional information including potential training sessions and our official launch date will be released shortly.

File Court Documents Anytime, Anywhere with Odyssey eFileIL™

The Illinois Supreme Court requires electronic filing (e-filing) of court documents for civil cases in the Illinois Supreme, Appellate and Circuit Courts. The eFileIL initiative began with Order M.R. 18368 and will be phased in to meet the mandatory dates identified in the Supreme Court's Order, over the coming months.

Timeline

July 1, 2017 — e-filing required in the Supreme Court and five districts of the Appellate Court. In addition, all 102 trial courts are to transmit the record on appeal through eFileIL to their respective reviewing court.

January 1, 2018 — all civil cases shall be e-filed in the trial courts. Also effective January 1, 2018, e-filing shall be mandated through eFileIL in 87 counties not exempted by the Supreme Court's Order. To ease their transition to eFileIL, the 15 counties exempted in the Order may continue to use their existing e-filing systems.

With Odyssey eFileIL, you'll reduce filing time, eliminate routine trips to the courthouse, receive instant access to electronically filed documents and enjoy automated reporting and financial reconciliation, along with other benefits.
