19TH JUDICIAL CIRCUIT IMPLEMENTS CRIME VICTIMS' SERVICES FUND

In accordance with Nineteenth Judicial Circuit's [Administrative Order 2009-40](#) and pursuant to [730 ILCS 5/5-5-10; 730 ILCS 5-5-6-3; 730 ILCS 5/5-6-3.1](#), a Crime Victim's Services Fund was created. [The Crime Victims Services Fund Committee](#), comprised of judges, probation employees and court staff, administers this program for the Nineteenth Judicial Circuit. The Circuit began collecting the \$2 fee in 2010 and has now collected sufficient funds to make meaningful contributions to victims' services programs. Funds may be used to create new programming and enhance an agency's current programming.

Grant funding is available to non-profit organizations with a 501(c)3 status, local government agencies, and agencies providing services to the Nineteenth Judicial Circuit. A maximum annual individual grant amount will not exceed \$50,000. Exceptions may be made on a case-by-case basis and must be approved by the Chief Judge upon recommendation of the Committee. The number of grants and amounts awarded will be subject to available funding.

"I am proud to share that in 2022, five grants were awarded totaling over \$166,000 of funding of local projects. Additional monies are now available to continue with assisting victims in Lake County. Crime victims require support, and with this funding, local agencies will have the ability to request resources in order to sustain existing programs or implement new services," said Chief Judge Mark L. Levitt.

Acceptance of the submitted application does not obligate the Nineteenth Judicial Circuit Court to fund the application, nor does it guarantee that the application is complete as submitted. If awarded, it is preferred that grant funding is on a reimbursement basis. Requests for initial lump sum funding must be considered and approved by the Committee.

To read the full instructions of the Crime Victims' Services Funding Application please visit our [website](#). Completed applications are due no later than March 15, 2023, and grants will be awarded by May 1, 2023. Applications are to be submitted via email to CrimeVictimsServicesFund@lakecountyl.gov.
