

News from the Juvenile Probation and Detention Services Division: Fact Sheet

Last update: April 20, 2018

The Juvenile Probation and Detention Services Division provides a continuum of services to families of youth who have been referred by law enforcement for delinquent offenses. Services range from informal diversion from court to highly structured supervision or probation in the community. The Division also provides in-house residential treatment as well as a secure detention center for more serious and/or chronic juvenile offenders.

JOA/IPCSA/Committee Participation

Probation Officers continue to support the Juvenile Officers Association through their membership as well as serving on the board. Officers attend general meetings bi-monthly during the lunch hour at various locations throughout the County. For the upcoming year, Senior Probation Officer Margo Ferretti, was elected to serve another term as Secretary.

Probation Officers continue to be members of the Illinois Probation and Court Services Association and attend meetings through the Lake County Gang Task Force, Lake County Sexual Assault Council's sex offender treatment committee, the Youth Empowerment for Success Coalition and the Juvenile Justice Council.

On 01-23-18, Claudia Gilhooley attended the Welfare Council of Highland Park / Highwood meeting.

The Detention Trauma and LGBTQI committees continue to meet on a regular basis.

Programming

A Music Appreciation Group has started on a weekly basis in detention. The residents are listening to all different types of genres. They have been encouraged weekly to "Listen Differently" which is the motto of the group. The residents have also been given and completing writing prompts during each meeting.

The Probation Department has implemented their new program, HOPE (High-Risk Offender Programming through Engagement). This intensive six-month program will service high-risk youth in the community by providing support through engagement in best practices/ evidence-based programming and service projects, to prevent removal of the youth from their home, provide youth the skills to become productive members of society and strengthen the family unit. The Lake County Health Department will be providing the program with a full-time therapist through their System of Care Grant.

A meeting was held to discuss the Detention garden project set to begin in late April/early May.

The Probation Department is in the process of reviewing/evaluating its Victim Assistance Program.

Planning

Probation Officers continue to utilize satellite offices to be closer to the youth being supervised in the community and for minimum group reporting. To make resources available to officers at satellite locations, we are piloting having a vehicle stationed at the Park City Branch Court location.

The Juvenile Division has been meeting on a regular basis to address new legislation, including automatic expungements. A policy has been created and employees have been trained.

The Juvenile Division is in the process of evaluating our Home Detention Program.

DATA Focus Group & Technology

The DATA group continues to meet monthly. We continue to seek ways to improve data collection and workflow.

Girl Wise

The 15th Annual Girl Wise Conference was held on April 7, 2018 at the College of Lake County. The conference targets middle school through high school-age girls and is dedicated to educating, supporting, and promoting them to develop into healthy, resilient and productive women. A total of 62 girls and 50 chaperones attended this all-day event. Additionally, about 50 volunteers helped coordinate and assisted on the day of the conference. This year's conference kicked off with breakfast generously donated by NICASA, a resource fair, and Junior's Challenge Course programming, a "low ropes course" facilitated by juvenile probation officers and youth counselors with the 19th Judicial Circuit Court. There was also a clothing drive with new/gently used donations, including many dresses for attendees to take and wear to prom! Opening remarks were given by the Director of Juvenile Probation and Detention Services, James Edwards; Lake County State's Attorney, Mike Nerheim; and Regional Superintendent of Schools, Roycealee Wood. The keynote speaker this year was Juan Ortiz. His presentation focused on empowerment and the ability to make the best of any situation.

Lunch was generously donated by the Regional Office of Education. The remaining portion of the day included two breakout workshops for high school ages and two breakout workshops for middle school ages. These workshops were presented by OMNI Youth Services, The Zacharias Center, Randi Moxi and Nicole Sicuro Leipski. There was also a workshop for chaperones on technology, presented by Carol Gudbrandsen of the Lake County State's Attorney's Office, Cyber Crimes Division. The day ended with a raffle and every attendee walked away with a parting gift! Any future participants interested should visit <http://19thcircuitcourt.state.il.us/1230/Girl-Wise-Conference> in early September to begin registering for the next conference!

Jr's Challenge

On 05-16-16, Mario Urbina and Jesus Rodriguez were certified to manage the Jr's Challenge Course. This certification is good for three years.

On 02-26-18, facilitators attended the annual Roundtable Event at JCYS's Camp Henry Horner in Ingleside, Illinois.

The 2018 season kicked off with a new employee and intern challenge course on 04-12-18. FACE-IT residents participated in an all-day course on 04-19-18.

The Juvenile Division is in the process of piloting a Leadership Course to identified seventh grade middle school students displaying high-risk behaviors in lieu of suspensions.
