 - Substance Abuse & Attention-Deficit / Hyperactivity Disorder
 - Substance Abuse & Conduct Disorder
 - Substance Abuse & Oppositional Defiant Disorder
 - Substance Abuse & Adjustment Disorder
 - Anger Management

SUBSTANCE ABUSE TREATMENT

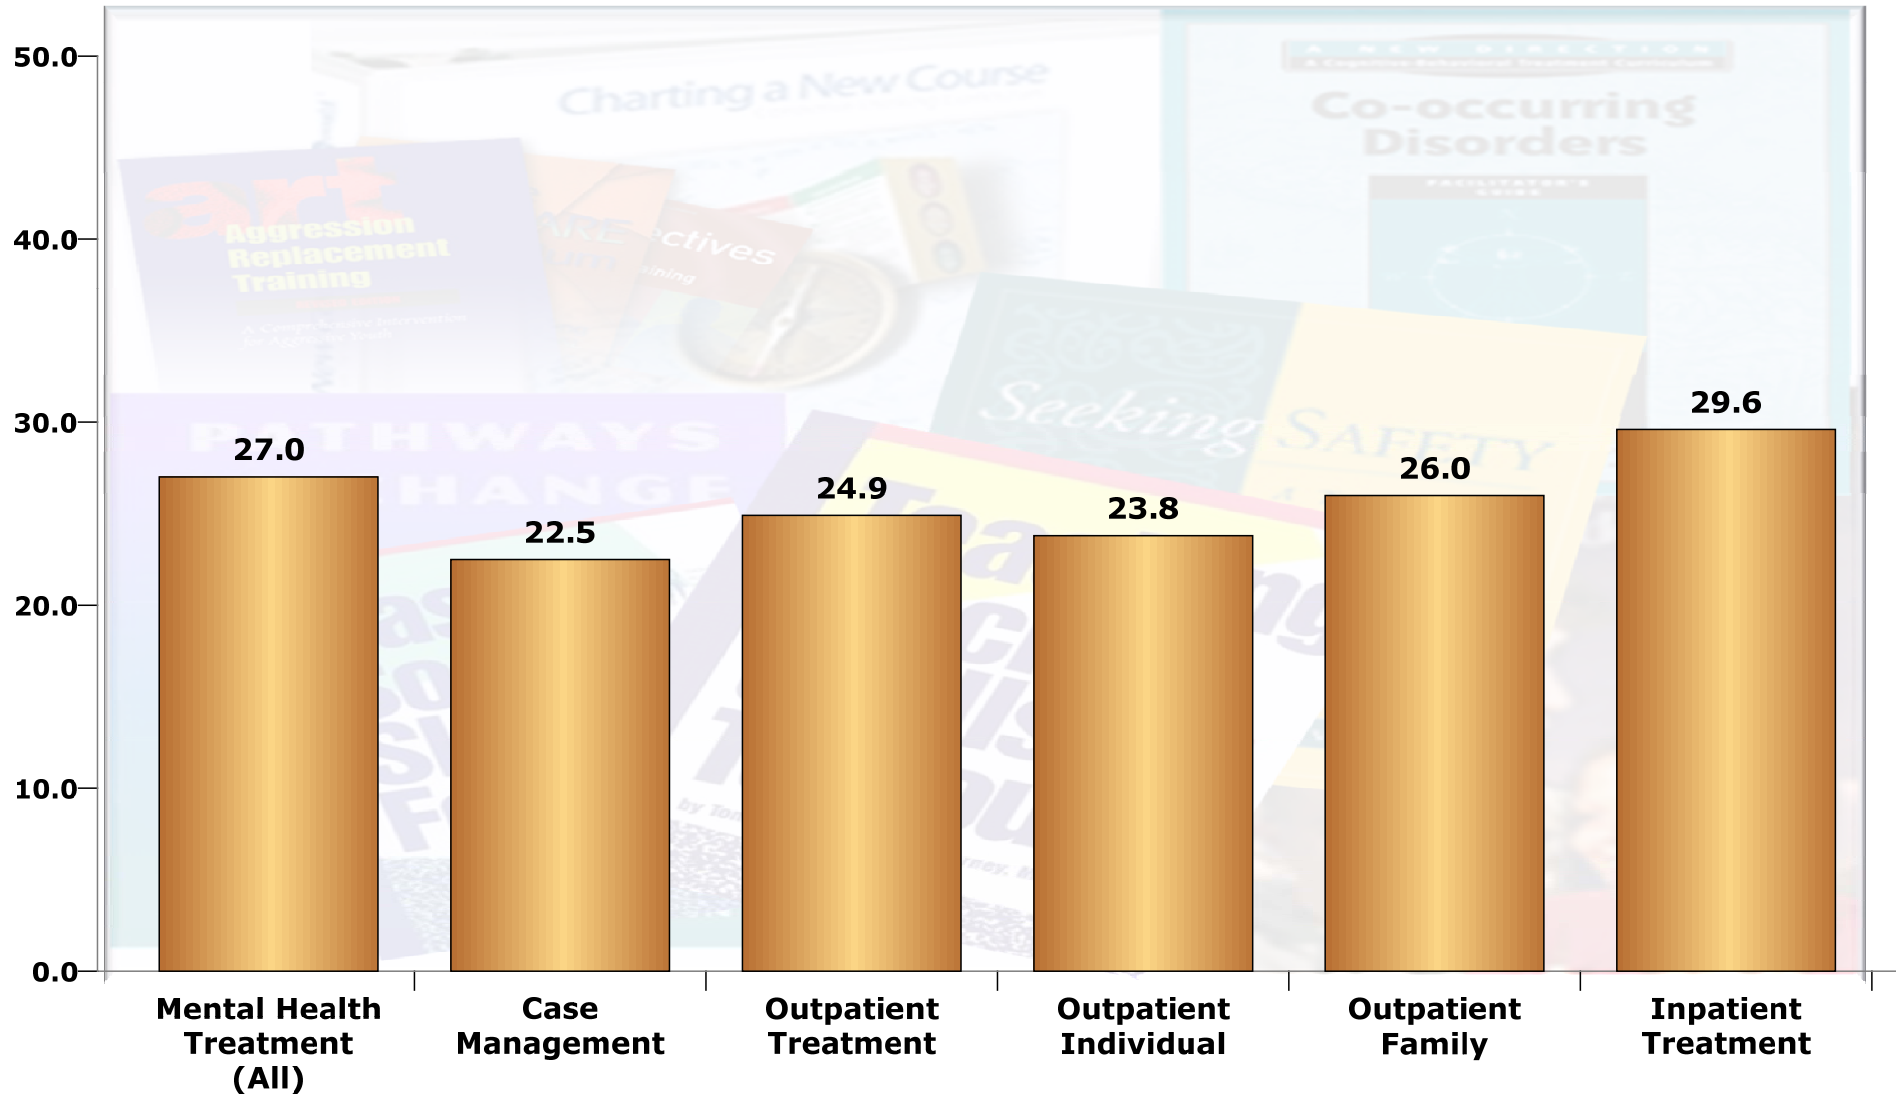

Evidence-Based Approaches

- We decided to **open up and talk honestly** about ourselves and about alcohol and other drugs.
- We looked at what we liked about alcohol and other drugs, and **why we were using** them.
- We looked at our use of alcohol or other drugs to see if it has **caused harm** or **could cause harm**.
- We looked at **our responsibility** and the responsibility of others for our problems.
- We thought about where we seemed to be headed, **where we wanted to go**, and **what we wanted to accomplish**.
- We made **thoughtful decisions** about our lives and about our use of alcohol and other drugs.
- We **followed through** on our decisions about our lives and drug use. If we saw problems, we went back to earlier challenges and mastered them.
