

## SUPREME COURT RULE 218 CONFERENCE CALL

HONORABLE Judge Charles Smith

DATE: August 9 2023

COURTROOM: C205 9:00 A.M.

### SUPREME COURT RULE 218 CALL INSTRUCTIONS

This notice of a progress call is mailed to the attorneys three to four weeks prior to the call. Attorneys who agree on the TRACK 1 date located below or wish the Court to assign a track in advance, may appear on any of the assigned judges' motion dates so that the Court may enter an appropriate order. The order will remove the case from the progress call. If an order is not entered prior to the day of the progress call, the attorneys are required to appear. If there is no response, an appropriate Order of Dismissal or Default will be entered.

These are available trial dates. After a date and track have been set by the judge, attorneys are required to prepare an order reciting the trial date, all other dates listed in the "track" for that trial call, and such other dates or matters the Court may order. Supreme Court Rule 218 Orders will be available in the courtroom or online at: <http://www.lakecountyil.gov/circuitclerk/publications/county%20forms/218order.pdf>
